"It's been wonderful! Every one of the nurses have been wonderful to me. Everyone, all the staff ... they treated me like a princess."

-Helen Bartlett, patient

"I felt like I was treated better than being at home. I loved the experience. I received really good care from the nursing staff and the aides spoiled me. It was a place I was happy being in. The entire staff was extremely helpful to me and the rehab people were unbelievable; they made my recovery fun! If I had to go back I would go to Burien. Everything about it was fantastic!"
